CLUB NOTES

BRIGHT PROSPECTS FOR NEW SEASON

Welcome, once again, to a new season which, as always, most of the 92 League clubs will start hopefully, looking for success rather than the trials and troubles which may be lurking round the corner. There are no first team newcomers at Deepdale, although we have signed some promising young players.

Nevertheless, and especially remembering the glorious wind up of a 9-0 home win after the disappointments of last season, the management and players alike are optimistic about the future and we hope supporters are in the same cheerful frame of mind, also that immediate results will justify this optimism.

Welcoming the players when training for the coming season began just a month ago, the chairman (Mr. Allan Harrison) said he hoped they would have a fine season and create more enthusiasm among supporters. "You know our aim", he said, "It is promotion. We believe you have the ability to get there. I hope you have the faith in yourselves to justify that confidence. Mr. Harrison added:

"I am quite sure you will do your utmost to prove that our faith in you is not misplaced. We have a great opportunity, and it can be taken with your ability, plus wholehearted effort. As for you young players, let your aim be to correct your faults and strengthen your weaknesses and make yourselves good enough for the first team. Let us all try to make it a year for Preston North End".

CLUB NOTES—*continued*

The manager (Mr. Jim Milne) said to his players: "No doubt you will have seen a good deal of the World Cup at Everton or Manchester, or on 'telly'. Well, if you have picked up any ideas which could be useful let's talk about them. Bring them up when we have our discussions on tactics and teamwork. Maybe there is something we could use to our advantage".

We trust our followers will echo those sentiments and endorse the advice given. The initial test to-day is against our visitors from Northampton, who were relegated in May after only one season in the First Division. Then we visit Plymouth Argyle, whom we will not meet again in the League until the last day of December.

By a strange coincidence North End are to play all the relegated or promoted clubs in present company before the end of September, starting with Northampton, then Millwall in the next home match on Monday week and Hull City at Deepdale the following Saturday. Both Blackburn Rovers and Millwall will be played twice.

North End have lost only one of eight matches against the "Cobblers", that being on the occasion of our visit to Northampton in February of their 1964-65 promotion season, by 1-2. The original trial of strength goes bach 32 years to February 17th 1934, a season in which Preston gained promotion after spending nine years in Division II. A fifth round Cup-tie, it was a great occasion at Deepdale, a then record crowd of 40,180 attending. North End delighted their supporters with a 4-0 triumph.

The next meeting was also in the F.A. Cup—on January 11th 1947 at Northampton. North End, still in the First Division, won by 2-1 and went on to reach Round 6. Four seasons ago we again visited Northampton for a League Cup third round tie and drew 1-1. The replay went in our favour by 2-1.

Results in League meetings are: 1963-64 (h) 2-1 (a) 3-0; 1964-65 (h) 2-2 (a) 1-2.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

OUR VISITORS—*Northampton Town*

Our visitors of to-day, who are warmly welcomed along with their more ardent supporters, see the immediate future as a hurdle, once overcome, to be surmounted again. For the doughty "Cobblers", to their sorrow, suffered last season the post-war experience of two other First Division clubs, Wednesday and Leyton.

It was that of rising to the premier sphere only to be relegated at the end of one season. Sheffield Wednesday, of course, have long been back among the select after going down three times since the war, but luckless Leyton had the salt rubbed in by their further descent last season to Division III with 23 points.

Northampton went up in May 1965 not because they scored more goals than their rivals in Division II, but through conceding fewer than all but Newcastle United, the champions of that year. Town's goal figures were 66-50. Last season their scoring power was further restricted and they no longer possessed their former source of strength. They sacrificed the most goals in the section—92.

Former members of the Southern League, whose Champions they were in 1908-09, Northampton Town did not come into being until three years before the turn of the century, by which time the greater number of the Football League's present complement of 92 clubs were functioning in various spheres of soccer.

Their manager is Dave Bowen, whose popularity befits one whose efforts have led to considerable success.

Among his predecessors in this office have been D. Smith, W. Cresswell, Bob Dennison (1949-1954), Jack English, R. Hewison, Syd Puddefoot of West Ham, Blackburn Rovers and England fame, Jack Tresadern and Herbert Chapman, whose first post this was before joining Leeds, Huddersfield and Arsenal.

OUR VISITORS—*continued*

Northampton narrowly missed promotion in 1928 and 1950 as runners-up in Division III (South). In two seasons the club finished third, and once fourth. The lowest position gained was 21st in 1950-51. Yet two years later the club gained their highest total of points, 62 out of 92.

Their best scoring season was 1927-28, with 102 League goals in 42 matches. Their highest League score remains 10-0 v. Walsall in that campaign. Incidentally 10-goal Joe Payne is the Cobblers' trainer. The most goals in any League season stand to the credit of E. Bowen, who scored 34 in 1928-29 season.

A great performance by Northampton was their 3-1 victory against Arsenal in the F.A. Cup third round of 1958.
